It's Time to Leave Your Mark

Legacy Pavers & Bricks

Stadium Project at Dewey Halden Field

The Davis High School Blue and White Foundation ("BWF") is a philanthropic organization composed of alumni and friends of Davis Senior High School (DHS). As described in our Bylaws, one of the expressed purposes and goals of the Foundation is to support improvement of facilities at Davis Senior High School. In keeping with this purpose, the BWF has initiated fundraising toward the renovation and modernization of the stadium at Davis Senior High School. We have partnered with the Davis Joint Unified School District (DJUSD) by working to secure cash, and in limited cases-material contributions, to be presented as gifts to offset the Districts' final cost of the stadium.

BWF is excited to be able to offer a multitude of unique opportunities for our community to be a part of this effort. One lasting way to leave your mark is with an engraved legacy paver or brick. You can memorialize a loved one, commemorate a son or daughter's time at DHS, or show your support of DHS by engraving your family or business' name.
